Dear Dr Palin

As Mayor of Derry City and Strabane District Council it gives me tremendous pleasure to wish you and members of your Bahá'í community a Happy New Year.

I have had the pleasure of meeting with you during my year as Mayor. The meeting was a great opportunity for me to get an insight into the fantastic work you do and to gain a greater awareness of the principles of the Bahá'í faith.

I fully endorse the ethos of your faith and the emphasis you place on promoting family values and a better and positive environment for everyone. I am very much aware of the great work done by your community to promote good relations and peace and reconciliation, by encouraging our communities to work together for a better shared future.

I am delighted as Mayor of the City and District to extend my best wishes to you and members of the Bahá'í faith in Derry and beyond.

I hope that this year brings with it a year of celebration and renewal.

Yours sincerely

H. McClintock
